More Human: Designing A World Where People Come First PDF People feel angry and let down by their leaders, as well as by the institutions that dominate their lives: political parties, government bureaucracy, and corporations Yet the cause of this malaise, according to politicalâ€“advisorâ€“turnedâ€“techâ€“CEO Steve Hilton, is not being addressed by politicians on the left

Designing a World Where People Come First More Human ...

- Making the world more human requires a revolution
- This revolution must start with making politics and government more representative, decentralized, independent and ethical
- Capitalism and business should be forces for good, but they seldom are
- Education needs to be flexible and

personalized, not rigid and standardized
