segregation by racially explicit law and policy, is a complex system con-structed over decades to perpetuate— and in some instances to initiate—the spatial separation of whites and Blacks The Color of Law argues that this type of residential segregation over the course of the twentieth century defined where whites and Blacks could live and

Form COL Violation Warning Denial of Rights Under Color of Law

Federal law provides that it is a crime to violate the Rights of a citizen under the color-of-law You can be arrested for this crime and you can also be held personally liable for civil damages Attempting to cause a person to do something by telling that person that such action is required by law, when

it is not required by law, may be a felony

A Forgotten History of How Our Government Segregated America

The Color of Law documents how American cities, from San Francisco to Boston, became so racially divided, as federal, state, and local governments systematically imposed residential segregation, with: • undisguised racial zoning, • public housing that purposefully segregated previously mixed communities, • subsidies for builders to create whites-only suburbs,
